- **Desired by Listings** - See who has trades in the system for each trip⁴ and where you fit in the stack based on seniority. Know which trips you have a chance at getting before even submitting a trade!
- **Trip Shopping w/an Intuitive, Interactive Floating Calendar** - View your monthly schedule⁵ with a summary⁶ of your pay, hours and days. You can even customize it with personal events⁷. This makes trip shopping⁸ easy and fast. See how it fits⁹ in your month, pay effects¹⁰ and legalities¹¹ all in one place!
- **Pilot to Pilot Trading** - Now it's simple to find trading partners and propose trades¹² to them. No coverage? - No worries! - Pilots have a dedicated email communication system. Just one of several tools to obtain a great schedule.
- **Calendar Sync** - Auto-sync your calendar to iCalendar and Outlook through CalDAV or export to Google. You can take your calendar anywhere and even share it with other family members. A great way to stay connected.

➤ **Trip Details** - Make viewing any trip quick and easy with visual trip details. Everything you need to know in one place with well formatted crew, hotel & transportation information.

➤ **Crew Companion Mobile** - This handy tool can be added as a shortcut on your mobile phone or tablet so that you can access all the features you need to make any changes to your schedule you want, when you want, where you want. Click Help/FAQ for directions.

➤ **Criteria Match List** - SEE, don't guess what you might be trading into. As more and more pilots use Crew Companion, fewer trips will show as simply 'potentially open'. These trips will now appear as drops, vacation drops, direct and criteria trades. That translates to better transparency!

➤ **Open Trip and Trade Notifications** - Customizable and detailed open trip, reserve assignment, and trade notifications. Well formatted in pilot-speak for quick decision-making.
